Confirmation

Confirmation for the bodybuilder of the
installations/conversions:

VB-Airsuspension B.V.

Base vehicle:	Caddy 5
Type of conversion:	full air rear axle air suspension
Issued:	29.07.2022
Report no.:	21GGECA101

The Volkswagen AG, Volkswagen Commercial Vehicles, confirms to the bodybuilder VB-Airsuspension B.V. based on the results of the report of non-objection no. 21GGECA101, that the conversion concept full air rear axle air suspension fully complies with the body builder guidelines for the Caddy 5 model from Volkswagen Commercial Vehicles valid at the time of certification and is therefore technically unobjectionable.

The bodybuilder VB-Airsuspension B.V. alone is responsible for obtaining the corresponding registration approval (homologation) for the converted vehicle, for the condition/quality of the conversion and for compliance with the applicable, country-specific legislation.
