# TECHNICAL BULLETIN

To: **Everybody related to (VBA)**
VB-Airsuspension excl. end users.

CC:

From: **VB-Airsuspension**

Subject: **Vehicle identification because of exception for VB-SemiAir kits 1550611102, VBSA-FT-FWD-01B and VBSA-FT-FWD-01C**

If the vehicle identification number (VIN) begins with WF07... or WF0Y... and the vehicle is equipped with a bump stop as shown in picture (1) or (2) then kit 1552350006 must also be mounted (besides kit 1550611102, VB-FT-FWD-01B or VB-FT-FWD-01C).

If the vehicle identification number (VIN) begins with WF0Y... and the vehicle is equipped with a reinforced axle as shown in picture (3) then kit 1552350007 must also be mounted (besides kit 1550611102, VB-FT-FWD-01B or VB-FT-FWD-01C).

If the vehicle has an other vehicle identification number (VIN) and none of the pictured bump stops or axle, only kit 1550611102, VB-FT-FWD-01B or VB-FT-FWD-01C should be mounted.
